There will be occasions during the year when your child will need to leave the school grounds for supervised low-risk activities e.g.

- Field trips to Museum, Science Alive
- Sports tournament
- Syndicate fun days
- Cultural trips, e.g. Town Hall show, choir

We seek your permission to take your child out of the school grounds as/when needed during 2014.

Completing the 'whole year' permission slip eliminates the need to have separate permission notices each time the class or school leaves the school grounds.

Notification of class trips will be made in advance of the trip via class notices or school newsletter.

Please make your child's classroom teacher aware of any new or changed medical conditions as they occur so we can update medical records.

Please contact the Principal if you have any queries regarding this permission notice.

Thank you

Ross Willocks  
Principal
